

Schedule of Volunteers for the Mid-week Family Fellowship Meals through the end of 2018

Duties: Lead – oversee the evening in the kitchen by accepting the catered food, placing the food out when time to be served, clean up the kitchen and direct volunteers as needed.

Early Shift – roll silverware in napkins and place on serving line (we are trying this instead on placing napkins and silverware on individual tables), put placemats on tables along with salt and pepper shakers, help lead person as needed to place food out to be served and serve beverages when meal begins.

Late Shift – clean up after the meal in kitchen area and fellowship hall, put any left-over food in the refrigerator (Judy Deal will disburse appropriately) and assist lead worker as needed.

Early Shift 5:30-6:30pm

Late Shift 6:30-7:30pm (or until everything is cleaned up)

*Extra volunteers are needed due to it being the first event and hopefully outdoors!

Please note: If you are unable to cover your shift, please switch with someone else on the schedule and notify the church office of the change. Telephone numbers can be found in the church directory or obtained from the church office.

In case of bad weather...if the church office is closed that day or closes early for the day due to bad weather, our event is cancelled for the evening.

THANK YOU ALL FOR YOUR HELP...we couldn't do it without YOU!!!
